Message From The Recreation Director

Volume 2, Issue 7

Summer is going by so fast, and before you know it the Fall will be here. Let's enjoy the Summer while it lasts. If you haven't had a chance to get to one of our Summer Concerts, we only have a few left, so come out and enjoy a great night of entertainment.

Enjoy a fun day at one of our great parks. New Windsor is very blessed when it comes to nice parks. And they are only

getting better by the year. Our biggest most beautiful park is the Mt. Airy Sports Complex. We have great soccer, football, and softball fields, with a huge pavilion, that will house a concession stand, and more rest-rooms. Unfortunately we have had some vandalism that has occurred in recent months.

Vandalism is something that makes me very mad. When people destruct property for no reason what so ever, they need to be caught and prosecuted. We now have surveillance cameras at our parks that will help catch the criminals that are vandalizing so they can

be arrested and prosecuted by the court.

Please keep your eyes open when you are at our parks, and call the New Windsor Police Department at 565-7000 to report any suspicious behavior. If we all pitch in by keeping open eyes we can keep our parks safe and clean and be the envy of all other towns.

A reminder to everyone we have some great trips planned for the upcoming months so please check out our website at www.nwrecisfun.com for all of the information.

Enjoy the rest of Summer!

Recreation Summer Activities Off To a Great Start! – By: Nicole Lucera

The Recreation Department is happy to announce that all of the summer camp programs are underway and are off to a great start! We were able to successfully fill all three summer camp programs, and both the campers and staff are really enjoying the programs.

Our summer concert series is off to a fantastic start, as well. Mother Nature has been on our side, giving us beautiful weather for the past four weeks. The turnout from the public has been outstanding, too! As always, we would like to extend a special thanks to Mike and Sharon and staff from Parties a La Cart for donating their time every Wednesday night to

provide sno-cones and popcorn for the crowd, as well as a special thanks to the staff at Rita's Ices for providing ices to everyone. Our concerts are held every Wednesday night from now through August 13th at 7pm at the gazebo bandstand at Town Hall. In case of inclement weather, the concerts will be held in the Community Center below the Ambulance Corps.

The Recreation Department would also like to announce some upcoming trips: On Saturday 8/23, there will be a bus trip to the Museum of Natural History. The fee is \$50 per person and space is limited! Sign up
