OFFICIAL NEWSLETTER

Message From The Recreation Director

Volume 1, Issue 13

We at the Town of New Windsor Recreation Department try to offer as many programs as we possibly can. Some of the programs have been around for ever, some are brand new. What we do try to achieve is to try to offer something for all ages.

We offer programs starting at the preschool age and going up to programs for our senior citizens.

But there is always room to add new programs and events. And to do that

we need ideas. If you or anyone you know has any ideas for new programs we would love to hear from you. I can't promise that if you have an idea it will be 100% definitely used but I can promise you that whatever the idea we will surely take the time and effort to research it to see if we could do it.

If you have any ideas you can call the Recreation Department at 565-7750 or send an email to me at mveronesi@town.new-windsor.ny.us.

Or you can stop by our office at 244 Union Avenue to let us know your idea.

The World Series is over and neither the Yankees

or the Mets got to play in it again. The Yankees getting eliminated in the first round of the playoffs and the Mets not even making the playoffs. Both teams have some major changes to make. For the NY Yankees changes have already begun. Joe Torre has been replaced by Joe Girardi as Yankee Manager, and Alex Rodriguez has opted out of his contract to become a Free Agent. Though I feel Joe Girardi will be a good manager I was disappointed that Don Mattingly didn't get the job. He was my favorite player growing up and he is such a great guy. I was lucky enough to meet him two years ago, and I wasn't disappointed he was everything I had thought he would be. He was a real class act and it was a pleasure to meet him.

**Newsletter Date:
November 2007**

Bringing Joy to Those Less Fortunate For The Holidays —By: Nicole Lucera

It's getting to be that time of year again...That's right, you guessed it! As the Holiday season is quickly approaching, the Recreation Department is asking everyone in the community to remember those in the area who are less fortunate than others by contributing to their food pantry.

Now everyone knows that we all have that can of vegetables sitting in our pantry that we know we're never going to eat, or that box of pasta that we bought but changed our minds about and are never going to make. It happens to all of us! That's why we're asking everyone to clean out their pantries and cabinets and donate whatever you have laying

around that you know you're never going to eat (just as long as it's not expired, of course)!

We will be accepting any non-perishable food items such as canned fruit or vegetables, rice or pasta mixes, boxes of pasta, and cereal. We will also be accepting turkeys, as well. After all, why shouldn't everyone be able to have a delicious Thanksgiving dinner or Christmas feast?

Food donations can be dropped off to the Recreation Department any time between 8:30am-4:30pm Monday-Friday.

NOTE: We accept donations year round, as the food pantry is an on-going service we

provide to our community.

Last year our food pantry was a huge success thanks to local volunteer organizations, fire companies, churches, and school groups. Thanks to all those who reached out to help others, you helped make everyone's holidays a little more merrier. Let's do it again this year!

If you would like more information on our food pantry service or know someone that is in need, please contact the Recreation Department at 565-7750.
