Message From The Recreation Director

Volume 1, Issue 12

With the holiday season not too far away we have to start thinking about those who are in need. The Town of New Windsor Recreation Department runs a food pantry that donates bags of food to residents in need once a month. This food pantry is always in need of donations especially this time of year. If you are interested in donating non perishable foods please drop them off at the Recreation Department.

Also at our Christmas Tree lighting ceremony on December 8th from 5:00 to 7:00pm we will again be collecting items for the US Troops over seas. Whether or not you agree with the war, our family, friends, and neighbors are over there dedicating their lives to our country. And the holidays are always a very

hard time for the men and women over there because they are away from their families.

In the next newsletter I will give a list of the items that the troops really need. Also if you cannot attend the Tree lighting ceremony on December 8th you can drop off donations any time at the Recreation Department located at 244 Union Avenue.

I leave you with this story.

Two life long friends named Max and Roy were huge baseball fans. Both were in their eighties. They agreed that whoever died first would try to come back and tell the other if there was baseball in heaven.

Shortly after, Max passed away peacefully in his sleep. A few nights later Roy was awoken from a sound sleep to see Max standing over him.

"Max is that you?" Roy asked. "Of course it me," his friend's voice replied.

"This is unbelievable!" he exclaimed, "So tell me, is there baseball in heaven?"

"Well, I have some good news and some bad news for you. Which do you want to hear first?"

"Tell me the good news first" Roy said.

"Well, the good news is that there is baseball in heaven" Max said.

"Oh, that is wonderful! So what could possibly be the bad news?"

"The bad news is you're pitching tomorrow night."
